SAN FRANCISCO BAY AREA NEWSLETTER

April/May 2004

## A MESSAGE FROM THE PRESIDENT

I have more changes to report to you at this time. As many of you know, Susie Smith has resigned prior to getting married. The new president of Friendship Force International is George Brown. Those of you who have been long time members will be familiar with him, as he was Executive Director under Wayne Smith. Elsewhere in this newsletter you will find a letter from him which was presented at the Western States Leadership Conference, hosted by our club on April 3.

The conference was coordinated by Nina Davidson. It was attended by representatives from most clubs in our region. Maureen Takacs, President of the FFI Board of Directors and Susie Harrison, Program Coordinator at the Atlanta office for our region, were in attendance.

There were many topics of concern discussed by the clubs that were represented, and we left with ideas to share with our own club members. Congratulations and thanks to Nina and her committee for a job well done.

Things are beginning to get lively in our club. We have a group coming in from Iowa from June 15-20. Katharine Kleinke is the Exchange Director for that exchange. You will find more information about this exchange elsewhere in this newsletter.

is getting started with her committee for the incoming exchange from Devon, England and I'm sure you'll also read more about that exchange elsewhere in the newsletter.

Colleen Scott is also putting together an outgoing exchange to Perth and Melbourne, Australia, for July. There are still openings on that exchange.

Don't forget our Birthday meeting on May 16 at the Los Altos Library at 2:00 PM. Better yet, invite a friend to come with you.

## REGIONAL MEETINGS

### FFSFBA COORDINATOR NEWS

Because our FFSFBA Club is so scattered geographically, we are attempting to keep united by having get acquainted gatherings in the various areas on the months when there are no regularly scheduled meetings.

Share your event with other members! Email an article and photos (if possible) to the newsletter editor, newsletter@ffsfba.org soon after your event.

—*June Cademartori*, Coordinator

### AREAS 1, 2, AND 3

On March 27th, members of Areas 1, 2 and 3 met at the home of Bernice and Dean Batchelder for a potluck lunch. There were nine members and five guests present. The five guests were friends of! She brought Friendship Force brochures and the members told about exchanges they had taken. We must have done a good job because some of the guests have become new FF members! —*Elizabeth Shumway*

### AREAS 5 AND 6

On April 18, twelve of us met for an early dinner at the Casa Lupe Mexican Restaurant on Castro Street. We then walked across the street to the Mountain View Performing Arts Center to see the play, "My Antonia," a world premiere, presented by Theatreworks. The play is based on a novel by Willa Cather, who wrote about the joys and hardships of her pioneer life as an immigrant girl growing up on the Nebraska plains in the early 1900's.

Participants were: John and June Cademartori, Louise Heiduk, Roger Riffenburgh, Darlene Boyanich, Burt and Diane Demo, Dave and Dee Gustavson, Susan Barkan, her mother Jean, and Susan's friend, Ann. —*Dee Gustavson*, Areas 5 and 6

Manuel and his wife, Jeanne, have been members of our club for several years and have gone on several exchanges. Their daughter Nancy will be staying with Jeanne. A copy of Manuel's obituary will be posted on our Web site. Condolences may be sent to , or call her at (.

### FORESTER NEEDED

## MEMORANDUM FROM NEW FFI PRESIDENT GEORGE BROWN

To: West Coast Conference

From: George Brown

Date: April 3, 2004

If your conference were being held just several weeks later I might be able to greet you in person. Since that isn't possible, I'm delighted to send this message via Nina.

To those of you I know, as well as newcomers to FFI, I look forward to meeting all of you before too long. And to all of you, I want to say how enthusiastic I am to be returning to a great organization. In accepting the position as the next FFI president, I am counting on all of us—in Atlanta and around the world—to work together to create an even stronger and more dynamic force for friendship in this very troubled world.

One of the themes that I will be discussing in the months ahead is "Renewing the Vision." As we look forward to our 30th anniversary in three years, we need to find ways to re-capture the vision that "a world of friends is a world of peace." FFI is not a network of travel clubs, but one of people dedicated to this vision. How can we inspire a new generation to follow that vision as well? That is a key question that I want all of the FFI leadership to consider in the months ahead.

While the vision and inspiration of our ideals is a necessary part of our future, we also need to be an efficient organization. This will be one of my first priorities in the months ahead at FFI—working with the board, staff and key volunteers to find ways to ensure the best possible organizational and financial structure for all of us.

You are well represented at your meeting this year—with two FFI Board members, Maureen Takacs, Chairman and Nina Davidson, Trustee and your field representative Susie Harrison from the FFI staff. I'm looking forward to hearing the results of your time together. Then, before too long, we'll be gathering in California again for the International Conference. Hope to see you all at that great event.

In closing, let me say what a huge debt of gratitude we all owe to Susie Smith who has worked so tirelessly and effectively this past year as President of Friendship Force International. Congratulations to her for a job well done, and best wishes as she begins a new life for herself in the LA area.

### DEVON EXCHANGE

Friendship Force members from Devon, England are coming to the Bay Area September 11-18. Exchange Directors and Joy Hillman will be contacting everyone who indicated they would like to participate in this exchange. Those who would like to help are invited to attend the first planning meeting on Saturday, May 8 at 11 a.m. at

If you haven't signed up yet, but you're interested in helping with the exchange in some way—planning, day-hosting, homehosting, giving or attending a potluck, please call at or send her an email:

— co-Exchange Director

## SPECIAL EVENT

On February 25th twelve Friendship Force members met at the California Culinary Academy in San Francisco for a wonderful three course lunch. It was hard to decide what to order—too many interesting choices. If you have never been to the CCA, you should try it! After lunch we had a tour of Davies Symphony Hall. The docent was excellent—he gave us the history of the building and a very interesting tour. Some of us who go to the symphony were able to get some of our questions answered.

As we left the hall, we tested the acoustics by singing “Let There Be Peace On Earth.”

Attending were: Joy Hillman,, Nina Davidson, Dick and Faye Ebner, Dave and Dee Gustavson, Darlene Boyanich, Roger Riffinburgh, Richard and Rita Hammer and Elizabeth Shumway.
